Dear Jamie D'Alessandro:

In response to your request for the Mid-Peninsula Water District (MPWD) to issue the "Intent to Serve" letter for the referenced project, please accept this letter as confirmation of the MPWD intent to serve the referenced project water.

Please provide two full size sets of the final project plans for review and verification of service needs. Upon review of the final project plans, the MPWD can provide the calculation of fees for the requested service.

After review and approval, including receipt of all applicable fees and charges, and in full accordance with all applicable rules and regulations, the MPWD will provide water for the referenced project.

We look forward to working with you. Please contact me at (650) 591-8941, regarding any further questions.

Sincerely,

  
Tammy A. Rudock
